# LinkedIn Optimization

# LinkedIn Performance

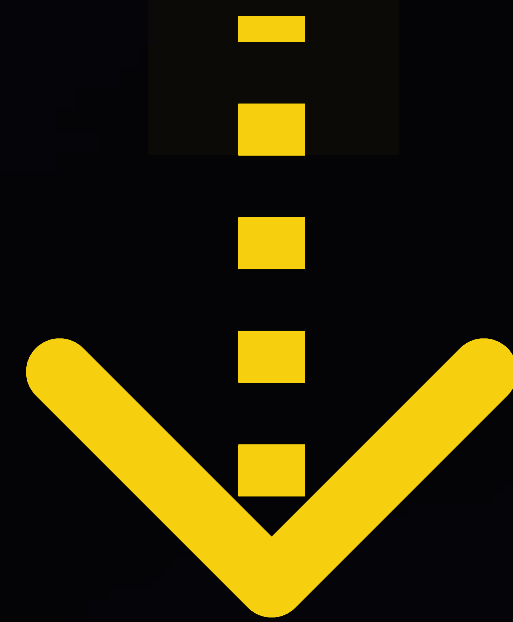

## LinkedIn Growth Case Study: HireMee

- Achieved 10K followers within one year.
- Focused on building a professional network and driving engagement.
- Though we no longer manage their LinkedIn, this demonstrates our expertise in growing brands on the platform.

The screenshot displays the HireMee LinkedIn profile and a newsletter promotion. The profile header includes the HireMee logo (a green square with a white 'H' and a heart), the name 'HireMee', the industry 'Technology, Information and Internet', the location 'Bangalore, Karnataka', and '10K followers'. Below this are '+ Follow' and 'Message' buttons. The newsletter section is titled 'HireMee's newsletter' and features the same logo, the name 'HireMee', '4,033 subscribers', and '40 editions'. A 'Subscribe' button is positioned to the right. A short promotional text reads: 'Stay beforehand in your job seek with our revolutionary gear, top-notch sources, and extraordinary career possibilities.'

# Video Production

# Flable AI SaaS Product

## What We Did

We developed a dynamic explanation video for Flable AI, a SaaS product, entirely from scratch using Adobe After Effects.

The template, animations, and transitions were custom-designed to break down complex features into visually engaging and easy-to-understand segments.

## How it helps

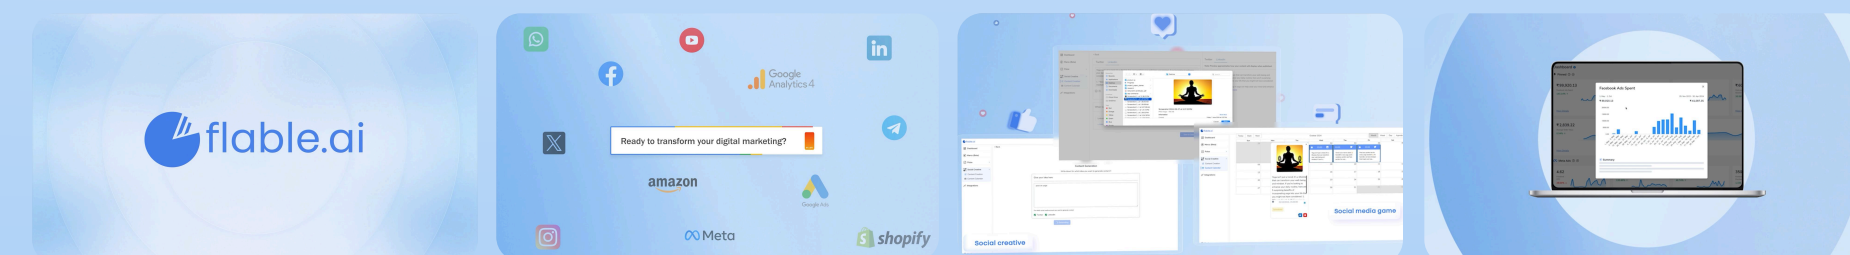

- **Investor Pitches:** Simplifies the product's value proposition, making a compelling case for stakeholders.
- **Brand Visibility:** Positions Flable AI as an innovative and forward-thinking solution in the SaaS market.
- **Multi-Purpose Use:** Perfect for presentations, website demos, and social media campaigns.

This video elevates Flable AI's brand while clearly showcasing its potential to investors and customers alike.
